Shopperoo

"Closer than a shop near YOU!"

Mission statement: Connecting you with your favourite boutique shops today!

The problem

Inaccessibility of products to **people who need** them.

1. **Inconvenient** Shop **Location** or **Opening Hours**
2. **No** Online Store/**Website**
3. **Delayed delivery** process by Australia Post

Live Demo of Shopperoo

Design Process + Decisions

Wireframes + ERD

Scaffolding Rails + Implementing Features

Customise the MVC, adding user authorisation, 3rd party payment (stripe), Active storage S3

Designs

Mood Board, Color Scheme, Typography, Logo Design

Debugging, Testing, Deployment

ByeBug, Cypress, Deploying on Heroku
